

Shape Monsters

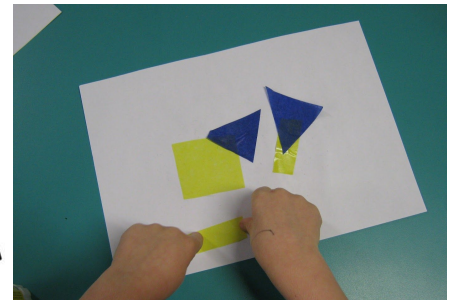

What You'll Need:

- Construction paper (in different colors)
- Scissors
- Glue (glue stick or elmer's glue)
- Markers/crayons/colored pencils

First, help your child cut different shapes out of construction paper.

Second, have your child glue the shapes onto a piece of paper, using the shapes to create their own shape monsters.

Third, your child can add details to their monster using markers/crayons/colored pencils.
